(6) The term "residence purposes" as used herein shall be held and construed to exclude hospitals and apartment houses (except duplex or two family residences, as hereinabove set forth), and to exclude commercial and professional uses (provided that use of a duplex as a duplex or two family residence shall not be considered a commercial use); and expressly, but not by way of limitation, the term "residence purposes" as used herein shall be held and construed to exclude the renting of rooms (as distinguished from the renting of one entire residence of a duplex, which is permissible) and/or the providing of board, and to exclude any development operations or drilling for oil, gas or other minerals, or any refining or quarrying, or mining, or the placing or maintaining on the premises of any tanks, walls, shafts, mineral excavations, derricks or structures of any kind incident to any such oil, gas or other mineral operations; and any such usage of this property is hereby expressly prohibited.

(11) No horses, cattle, hogs, livestock, or other animals, or rabbits, or poultry, of any kind, shall be raised, bred, kept, staked or pastured on any lot, except that dogs, cats or other household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose.

(12) No building material or temporary building of any kind or character shall be placed or stored upon the property until the owner is ready to commence improvements, and then such material or temporary building shall be placed within the property lines of the lot or parcel of land upon which the improvements are to be erected, and shall not be placed in the streets or alleys or between the curb and property line; and any such temporary building or structure of any kind shall not be used for other than construction purposes; and, expressly, but not by way of limitation, shall not be used for residential or sales office purposes, either during construction, or thereafter; and shall be removed immediately upon completion of construction.

(13) Grass, weeds, and vegetation on each lot sold shall be kept mowed at regular intervals so as to maintain the same in a neat and attractive manner.
