

The process to make an appeal to the Board of Directors is as follows:

The Board meets in open meeting every 3rd Monday of the month. The next Board meeting is July 16th at 7:00 at Fairmont Park Church at Farrington and Belfast Road. Since normal order of business is discussed first in public meeting, you can wait until 8:00 p.m. to come to the meeting. However, if you wish to attend the entire meeting, feel free to be there at 7:00 p.m.

Your request to Appeal will be listed on the Agenda of that meeting.

Your appeal is to ask the Board for **more time to repaint your home with an approved color**. That will be the only issue that can be discussed at that time. Please bring the paint color cards you want to use for the Board to approve at that time.

You will be granted time to talk to the board about your specific subject in Executive Session which is private. No other homeowner will be present at that portion of the meeting Attached are the rules followed in the appeal process. Let us know if you have questions.

IMPORTANT: If you do not come to the Board meeting, your home will have to be repainted by July 31, 2018 with an approved color as we discussed. The paint color must be approved prior to painting.
